A = Light print good for Christmas

B = Red Christmas print

Cut 2 squares each 3-7/8" A & B

Cut 1 square 3-1/2" B

Cut 4 squares 3-1/2" A

Put each of the dark and light 3-7/8" squares right sides together, draw a diagonal line from corner to corner. Sew 1/4" out from the line on each side and cut on the line. This will give you the four star points. All of the blocks are now 3-1/2" square. Arrange them as shown above. Sew into rows and sew the rows together. Press the seams opposite directions as you go to wedge the seams. Press. The block should measure 9-1/2" square.

Merry Christmas!
