

February Lotto Block

Wacky Hearts

Background: 8 ½" x 10 ½" black print

Heart fabric: 6" x 8" bright print or solid (hot pink, lime green, blaze orange, bright red, any color).

Light weight fusible: 6" x 8"

Design your own original heart.

Create a heart in shape of your choice. Be creative...long & narrow, fat & squatty, lopsided, broken heart, achy-breaky heart, scalloped, snowflake cutout heart, hollow heart...in other words, a WACKY HEART!

Instructions:

1. Draw your heart design on the back of the fusible. (It is helpful to fold fusible in half to make a center guideline for drawing.)
2. Trim fusible just outside drawn heart line.
3. Fuse to the back of heart fabric following manufacturer's directions.
4. Cut out the heart on the drawn line.
5. Center and Fuse the heart on to the right side of the background fabric.

DO NOT sew your heart on to the background square! This will allow your lotto block winner to choose her own thread color and stitch.

Again, a no-sew block, but get your sewing machine oiled up for next month's lotto block!

Happy Quilting!
