

Turkey Squares

November Fabric Lotto

No, it's not a recipe...unless you're referring to the ingredients for a great quilt project!

There are oodles of patterns for nickel squares for table runners, quilts, etc. to make from this versatile size square.

Use it as 5" squares, cut them into triangles, or slice them into rectangles...the options are endless.

Fabric

Fall & Thanksgiving colors in
Plaids, Checks & Stripes.

Cut 2 different 5" squares.

Two squares will give you one chance to win the lotto. You may enter more than once, but please cut two different fabrics for each chance.
