

It's Almost Magic!

October Lotto Block

9 1/2" finished size

It's almost magic! Sew strips on two sides of a block and a square in the corner. Set the blocks side by side. Your colorful sashing and black cornerstone become part of the block. See...almost like magic...it's already done!

Fabric

2 to 4 different black & white prints:

Cut 4 – 4 1/2" squares.

2 different bright fabrics (solid or tone on tone):

Cut 2 – 2" x 8 1/2" strips.

Black (solid or tone-on-tone):

Cut 1 – 2" square.

Method

1. Sew black & white squares into 4-patch.

2. Sew bright strip to one side of 4-patch; press toward strip.

3. Sew black square onto end of second strip; press toward sashing.

4. Stitch to side of block with black square in corner. Press toward bright.
