

Calling All Orphans!

September Lotto Block

Yes, you read that right! We are calling for orphans...orphan blocks, that is. Look around your sewing area, your closets, & your drawers for a leftover block from a previous project or a test block you sewed in a class...in other words, an orphan block that has no real home!

It can be any size or technique as long as it is a completed block. The recipient of the blocks will have an interesting challenge to design a one-of-a-kind quilt.

If you do not have any orphan blocks, quick stitch a block. Walk out of the room and return. Low and behold, you will have an orphan block!

Depending on how many blocks are received, they may be divided into similar color groups for the winners.

We do ask, however, that you only submit orphan blocks you would be happy to receive.

Please put your name on your block. An address sticker is fine. The winner may want to give you credit for your block on the quilt label. You may enter more than one block.

Let's have fun with this one!
