

**News Flash:**

**Winter Whites Beat “Winter Blues”**

January Fabric Lotto

Quilt away the “winter blues” by making a blue and white quilt with the “layer cake” you win at the January meeting. Of course, you know that for quilters, a layer cake is a 10” square of fabric. Yum, yum!

**WHITES:**

Whites, off-whites, grayed whites, bluish whites (no solids).

Imagine a winter scene with snowflakes, shadows on snow, blowing blizzards, fresh snow, snow angels, icicles, snowmen, footsteps in the snow, frosty windows, brrrrr.

**BLUES:**

Light to medium to dark blue prints (no solids).

Think icy bright blue winter sky, day & night, starry skies, snowy blue shadows, distant blue mountain tops, swirling cool blues, almost frozen lakes, whatever blues you think of in winter.

\*Please restrict your colors to only blues and/or whites for this lotto.

**FABRIC:**

1 – 10” Square of Blue OR White

One square of blue **OR** white equals one chance to win. If entering more than one square, please bring a different fabric.

Happy New Year!
