

April 2011 Lotto Block  
Rickety Rail Fence

Do you have any strips of fabric left over from a project? These leftovers could be from a finished project or a never to be finished project.

- Cut 7" lengths of several to many fabrics.
- Please be sure that a minimum of one fabric is blue.
- Please use fabrics with good contrast within the group you have chosen.
- Use as few as 3 fabrics and as many as you need to assemble a 7" square.
- You may use wedges, but the final product must be square.
- The first and last strip should be a minimum of 1 1/2" wide to allow adequate seam allowance space for the adjoining seams and any needed trimming.

The Lucky Lotto Winner will have the option of trimming the blocks to square them to a 6 1/2" unfinished square size.

**Note:** *If you choose to enter more than one block, please use a different combination of fabrics for each block.*

Happy Scrappy piecing!
