

January 2011 Lotto Block

Stash Buster

1. Cut one 6 ½" x 6 ½" square of blue fabric
2. Cut one 6½" x 12½" rectangle of any fabric

Together these two pieces are your entry into January's Lotto Block. No sewing is required and there is no need to pin them together either. Just bring them to the afternoon meeting or the evening meeting in January.

Note: *If you choose to enter more than one block, please use different fabrics for each piece.*

Have a Scrappy New Year!
