

## Star Struck!

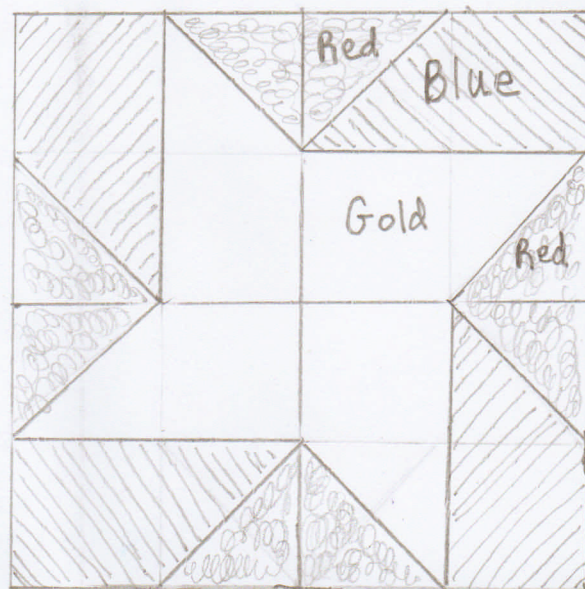

8 1/2 inches unfinished

For this festive Independence Day block you will need:

\*Four 2 1/2 X 4 1/2 inch rectangles  
gold print fabric (all the same)

\*Four 2 1/2 X 4 1/2 inch rectangles  
medium-dark blue fabrics (scraps)

\*Eight 2 1/2 inch squares of red fabrics  
(scraps)

Directions:

1. Draw a diagonal line on the wrong side of all the red squares.
2. Right sides together, place one red square on each of the gold and blue rectangles matching outer corners, making sure the diagonal line is positioned from upper left to lower right. (Figure 1)
3. Sew on the diagonal line- upper left to lower right. Cut away corner 1/4 inch from right of sewn line. (Figure 2). Press Red Triangle out. (Figure 3)
4. Sew blue rectangles to gold rectangles: align the two rectangles, position so that the red triangle is at the bottom of the blue rectangle, and the red triangle is at the top of the gold rectangle. Blue on the left, gold on the right. Make 4. (Figure 4)
5. Sew these 4 blocks together, using the figure above as a guide for positioning.

Thanks for participating in the Lotto Block this month- you deserve a Gold Star! Have fun! Jill Boettcher and Fran Eisenrich
