FINAL BLOCK!

Bring this block to Jan meeting for the final drawing

HST = half square triangle
RST = right sides together

1. Pair up two light and two dark 4" squares RST. Draw a diagonal line corner to corner. Sew a scant 1/4" on each side of drawn line. Cut on drawn line and press resulting two HSTs open, squaring up to 3 1/2". You will have four HSTs.
2. Repeat Step 1 but pairing up a medium 4" square with a light 4" square. You will have two HSTs.
3. Arrange HST units and squares as shown in block diagram above. Sew together into three rows of three units. Nest seams by pressing seams for the center row toward the center square, press other two rows away from center.
4. Sew rows together.

This is an option for arranging and sewing blocks together: seven rows of five blocks

2018 QS Red & White Lotto blocks.

WHAT HAVE YOU DONE WITH YOUR LOTTO BLOCKS??

Everyone needs goals, right? So here's your Lotto Block goal. Bring anything you have made with this year's Lotto Block patterns to the **MAY 2019** meeting for a special Show and Tell. Maybe it's a sampler quilt using all 12 blocks? Maybe it's a tabletopper using one block.. Show us your stuff! You have all winter to get something done!.

P.S. You don't have to use Red/White for the blocks you make to keep, that colorway was only for the monthly drawing.
